

Senior Portrait Pricing

I love collaborating with seniors. My portrait sessions are designed to be easy-going and affirming. In the process, we'll have a blast! My goal is that you enjoy every aspect of your senior-portrait experience.

This document provides information about exactly what I charge for sessions, prints, and other products. If you have any questions before choosing to work with me, please ask.

I would be happy to assist you in selecting your senior portrait location. If you have a space or location that is unique to you, I would love to discuss the possibility of shooting in this space.

Here are some possible location ideas:

- The Arboretum, along the Huron River
- Downtown/Main Street area
- The Diag/State Street
- Island Park
- The Law Quad
- Mill Creek Park in Dexter

Depending on your location and the time of year, I will almost always recommend starting your session when the sun is lower in the sky between 5pm and 7pm. If we have bad weather on the day of your session, we'll choose a mutually agreeable rain date. I'm usually able to offer rain dates within 1-2 weeks of your original date.
